REPORTS AND COMMENTS

MAYOR JENSEN requested that Mr. Gasior prepare moratorium legislation to prohibit data centers in Avon, expressing concern about their drain on infrastructure and resources.

Mayor Jensen also wanted to address e-bikes and e-scooters through a Legal Committee Meeting, noting safety concerns about inadequate helmets for the speeds e-bikes can reach.

Finally, he asked Mr. Gasior about the process for changing lot sizes through the Planning Commission to address buffering issues, citing Grace Estates Subdivision on Detroit Road as an example of development with inadequate buffering between houses. He felt one way to combat that issue was to increase the required lot sizes. Mr. Gasior confirmed that the Planning Commission was the place to start that discussion.

COUNCIL MEMBERS:

MS. BERGES, AT LARGE, supported the data center moratorium, referencing Hilliard's experience where a data center led to an unwanted gas plant due to House Bill 15 limiting cities' ability to regulate power plants. She also supported strengthening e-bike Ordinances by discussing the issue in a Legal Committee Meeting. Lastly, she announced that Jack Frost Donuts opened on Saturday (3/21) with dedicated customers arriving at 3 A.M. to try to win free donuts for a year.
