

ORDINANCE NO. 23-24

AN ORDINANCE AMENDING SECTION 1042.02(e) OF THE CODIFIED ORDINANCES OF THE CITY OF AVON TO PROVIDE FOR PAYMENT OF SANITARY SEWER TAP FEES THROUGH A VOLUNTARY ASSESSMENT COLLECTED ALONG WITH THE PROPERTY OWNER'S REAL ESTATE TAXES AND DECLARING AN EMERGENCY

WHEREAS, the Administration has recognized that the owners of older homes in the City are being required to pay a portion of the cost of an expanding sanitary sewer system through real property special assessments; and

WHEREAS, these assessments can be extremely costly to individuals and families living in these older homes which, in some cases have fixed incomes; and

WHEREAS, in an effort to help defray the cost of tying-in to newly-constructed sanitary sewers and abandoning existing private septic systems, the Mayor, together with City Council (the "Council"), deems it desirable to authorize a voluntary property tax assessment option in certain instances; and

WHEREAS, said amendment would offer an alternative to payment of the Avon sanitary sewer tap-in fee up front for connections made to existing residential dwelling units (owner occupied, single family dwellings) which abut a sanitary sewer line when that sanitary sewer line was installed by way of an involuntary special assessment on the abutting and/or specially benefitted residential property owners; and
