

ORDINANCE NO. 116-25

**AN ORDINANCE TO AUTHORIZE A DEVELOPER'S AGREEMENT
WITH CENTRAL SOUTH, LTD. FOR THE CONSTRUCTION
OF PUBLIC IMPROVEMENTS BETWEEN
GLENDENNING AND STONEY RIDGE ROAD
AND DECLARING AN EMERGENCY**

WHEREAS, Central South, Ltd. (hereinafter referred to as "Central") is the owner of a parcel of land consisting of approximately 6.18 acres located between Glendenning Street and Stoney Ridge Road upon which it intends to construct the three homes in the R-1 Residential District; and

WHEREAS, in order to complete these homes, Central must split-off two lots from Stoney Ridge and one from Glendenning and construct Public Improvements, to wit: a public sanitary sewer and all appurtenances thereto, within a dedicated city utility easement to serve these properties; and

WHEREAS, on November 19, 2025, Central presented plans and specifications for the proposed Public Improvements to the Planning Commission and by a vote of five (5) in favor and zero (0) opposed, Planning Commission made a recommendation to Council (contingent upon final engineering approval) to authorize same; and

WHEREAS, the City Engineer finalized his approval and City Council had the opportunity to review the Developer's Agreement with Central and provided the Developer the opportunity to discuss the proposed Developer's Agreement and plans for the installation of said Public Improvements; and

WHEREAS, after discussion, review and further consideration, Council deemed it acceptable, appropriate and in the best interests of the health, safety, and welfare of the citizens of Avon to enter into a written Developer's Agreement to provide for the construction of public improvements as set forth herein.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF AVON, LORAIN COUNTY, OHIO:

Section 1 - That the City of Avon hereby enters into a Developer's Agreement with Central South, Ltd. (Central) in substantially the form as set forth in attached Exhibit A which is incorporated herein by this reference, for the construction of a sanitary sewer and all appurtenances thereto to serve three new homes, one to be located on Glendenning Street and the other two to be located off Stoney Ridge Road, pursuant to plans and specifications approved by Planning Commission on November 19, 2025 (contingent) with final approval by the City Engineer subsequent thereto.

Section 2 - The Mayor and President of Council are hereby authorized to sign said Developer's Agreement on behalf of the City.

Ordinance No 116-25 (Con't)

Section 3 - That it is found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 4 - That this Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and welfare of the citizens of the City of Avon, the immediate emergency being the necessity to authorize the City to enter into a Developer's Agreement with Central for the construction of Public Improvements between Glendenning Street and Stoney Ridge Road prior to the start of the Spring, 2026 construction season; therefore, this Ordinance shall be in full force and effect immediately upon its passage by Council and approval by the Mayor.

EXHIBIT A

DEVELOPER'S AGREEMENT

THIS DEVELOPER'S AGREEMENT (this "Developer's Agreement" or this "Agreement") is entered into by and between **CENTRAL SOUTH, LTD**, an Ohio limited liability company, hereinafter referred to as "Developer", and the **CITY OF AVON**, Lorain County, Ohio, hereinafter referred to as "City". "Council" shall refer to the City Council of Avon, Lorain County, Ohio, and "City Engineer" shall refer to the City Engineer of the City of Avon or his designee hired to perform services on this project. The term "Development" shall refer to the construction of public improvements, to wit: a public sanitary sewer, between Stoney Ridge Road & Glendenning Street, and all appurtenances thereto, to be located in a public easement consisting of approximately 0.51 acres of land (the Property) to service three future residential lots pursuant to plans and specifications contingently approved by Planning Commission on November 19, 2025, (collectively, the "Public Improvements"); final approval by the City Engineer occurring shortly thereafter.

WHEREAS, the Development requires the construction and dedication of the Public Improvements as set forth in the plans and specifications approved by Planning Commission and the City Engineer as referenced, above, and which are to be accepted by the City; and

WHEREAS, engineering estimates of the cost to construct the Public Improvements have been agreed upon between the Developer and the City Engineer; and

WHEREAS, Developer desires to construct the Public Improvements for the Development under terms of this Developer's Agreement so as to facilitate acceptance of same by the City upon completion; and

WHEREAS, City is willing to agree to such provisions as are necessary for the construction of the Public Improvements and acceptance as set forth herein;

**NOW, THEREFORE, THE FOLLOWING IS HEREBY AGREED TO BY AND
BETWEEN THE DEVELOPER AND THE CITY OF AVON, LORAIN COUNTY,
OHIO:**

1. Construction of Public Improvements.

The Developer is to construct and install, according to plans and specifications submitted to Planning Commission, all Public Improvements shown and set forth in the Final Development Plan as contingently approved by Planning Commission on November 19, 2025 and finalized subsequently by the City Engineer and incorporated herein by this reference.

2. Engineer's Estimated Cost of Public Improvements.

The City Engineer has reviewed the estimated costs of construction of Public Improvements as submitted by the Developer's Engineer and concurs with said estimated cost in the amount of One Hundred Thirteen Thousand Seven Hundred Fifteen and 00/100 Dollars (\$113,715.00).

3. Performance Bond Agreement.

Developer is required to schedule pre-construction meetings prior to commencement of construction of the Public Improvements. Forty-Eight (48) hours prior to the scheduled pre-construction meeting, Developer shall provide financial guarantees of performance for the Public Improvements to the Finance Director of the City in the form attached hereto as Exhibit "A-1 " representing One Hundred Ten (110%) percent of the total Engineer's Estimate in the amount of One Hundred Twenty-Five Thousand Eighty-Six and 50/100 Dollars (\$125,086.50). In lieu of each such bond, Developer may provide (a) a letter of credit, drawn on a federally insured financial institution, which names the City as beneficiary, (b) cash, (c) certificates of deposit conditionally assigned to the City made by a federally insured financial institution (d) a combination of these items, in that total amount, or (e) such other security as is reasonably

acceptable to the City. The financial guarantee shall be released to Developer upon completion of all Public Improvements to be accepted by the City for the Development to the reasonable satisfaction of the City Engineer and upon passage of ordinance by Council accepting such Public Improvements.

4. Deposit for Engineering, Construction Inspection, and Material Testing Fees.

Prior to this Developer's Agreement being placed on Council's agenda for approval by ordinance, Developer will deposit the sum of Six Thousand Eight Hundred Twenty-Two and 90/100 Dollars (\$6,822.90) with the Finance Director of the City to cover the engineering, construction inspection and material testing fees commensurate with the work performed in connection with the construction of all Public Improvements. Should actual expenses exceed the required deposit the City reserves the right, at any time, to demand additional funds be deposited under this Section to cover current or future engineering, construction inspection, and material testing fees. Failure to make the required deposits with the Finance Director within ten (10) business days following the Finance Director's written (including email) request shall constitute and be considered cause for the City to suspend any further development work by the Developer until such time as the Developer is in full compliance with this Section. The City shall not accept Public Improvements in the Development until all engineering, construction inspection and material testing fees that are the responsibility of Developer then outstanding have been paid.

Any deposit over and above actual expenses for engineering, construction and material testing pertinent to the Development shall be released to the Developer only after the completion of all Public Improvements in the Development to the reasonable satisfaction of the City Engineer and acceptance of all of the Public Improvements by Council.

5. Stabilization Deposit.

Prior to this Developer's Agreement being placed on Council's agenda for approval by ordinance, the Developer shall deposit the sum of Two Hundred, Fifty and 00/100 Dollars (\$250.00) with the Finance Director of the City for stabilization costs set forth in ACO §1052.11(b) (\$250 x 1 acres).

6. Stormwater Inspection.

Prior to this Developer's Agreement being placed on Council's agenda for approval by ordinance, the Developer shall deposit the sum of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) with the Finance Director of the City of Avon for the stormwater inspection fee required under ACO §1052.11(a) & ACO §210.01(f)(4)(B)(6).

7. Deposit for Legal Fees.

Prior to this Developer's Agreement being placed on Council's agenda for approval by ordinance, the Developer shall deposit the sum of Two Thousand and 00/100 Dollars (\$2,000.00) with the Finance Director of the City of Avon to cover the legal expenses commensurate with the work performed. Should actual expenses exceed the required deposit, the City reserves the right, at any time, to demand additional funds be deposited under this Section to cover current or future legal fees. Failure to make the required deposits with the Finance Director within ten (10) business days following the Finance Director's written request shall constitute and be considered cause for the City to suspend any further development work by the Developer until such time as the Developer is in full compliance with this Section. The City shall not accept Public Improvements in the Development until all legal fees that are the responsibility of Developer have been paid. Any deposit over and above actual legal expenses pertinent to the Development and shall be released to the Developer only after the completion

of all Public Improvements in the Development to the satisfaction of the City Engineer and the City Law Director and acceptance of the Public Improvements by Council.

8. Deposit for Miscellaneous Costs.

In order to provide the City with adequate funds to cover miscellaneous costs incurred by the City relating to the Development, the Developer shall deposit the sum of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) with the Finance Director of the City. This deposit shall be made prior to an ordinance to accept Public Improvements pertinent to the Development being placed on Council's agenda for action. This deposit shall be held by the Finance Director for a period of three (3) years from the date of Council's acceptance of all the Public Improvements in the Development by ordinance, at which time the then-remaining deposit shall be returned to Developer.

9. Indemnification and Liability Insurance.

The Developer hereby agrees to hold the City, its officers, directors, agents, and employees harmless and to indemnify them against all claims, expenses, and liability as a result of loss or injury arising out of the clearing of land or construction of the Development and Public Improvements. Prior to the commencement of any work on the Development site or construction, Developer agrees to provide the City with proof of One Million and 00/100 Dollars (\$1,000,000.00) liability insurance protecting the City from liability arising out of the construction of the Development and related Public Improvements. Developer shall not allow this insurance to expire earlier than the effective period of the maintenance bond to be provided by Developer pursuant to Section 11 of this Developer's Agreement and a copy of the insurance

10. Title Insurance. In lieu of providing title insurance, Developer warrants to the City that it (the Developer) has good, sufficient, and defensible title to the land within which the Public Improvements are to be constructed, and which will be dedicated to the City.

11. Maintenance Bond.

Prior to being placed on Council's agenda for acceptance of the Public Improvements, Developer shall deposit with the Finance Director a three (3) year (measured from the date on which the Public Improvements for such Phase are accepted by the City) maintenance bond for the Public Improvements in such Phase in the amount of Eleven Thousand Three Hundred Seventy-One and 50/100 Dollars (\$11,371.50), which represents ten percent (10%) of the estimated cost of the Public Improvements.

12. Sidewalk Deposit.

Developer's estimated cost for sidewalk is Eight Thousand Dollars and 00/100 Cents (\$8,000.00). Should sidewalks not be completed at the time of acceptance of public improvements by City Council, the Developer shall deposit with the Office of the Director of Finance a cash deposit in the amount of Twelve Thousand and 00/100 (\$12,000.00) Dollars, which is 150% of the Developer's estimate for construction of sidewalks. This deposit must be made prior to Council placing an ordinance to accept public improvements pertinent to the Development on its agenda. The Developer will be entitled to incremental refunds of 50% of the total amount deposited upon installation of each half of the total sidewalk to be installed and upon verification of same by the Service Director.

13. Tree Deposit.

Not applicable to this Development.

14. Deposit for Street and Traffic Control Signage and Pavement Markings.

Not applicable to this Development.

15. Deposit for Mechanical Traffic Control Devices.

Not applicable to this Development.

16. Areas Within Floodplain.

Developer, as per the approved construction plans, will not be disturbing any floodplain.

17. Assessments.

Not applicable to this Development.

18. Payment or Satisfaction of Delinquent or Outstanding Obligations.

Unless otherwise specified in this document, prior to this Developer's Agreement being placed on Council's Agenda for approval by ordinance, any monies owed by the Developer to the City, as reasonably determined by the Finance Director of the City, and which remain unpaid, shall be paid by the Developer or approved as satisfied by the Finance Director.

19. Miscellaneous Provisions.

(a) Off-Site Storm Drainage.

Where applicable, the Developer agrees to comply with plans and off-site storm drainage approved by the City Engineer and, prior to the dedication of the Public Improvements to the City, shall perform the clearing and cleaning of ditches and land reasonably necessary at its expense. The City will provide the Developer with access to suitable land owned and controlled by the City for this purpose and the Developer shall be responsible for obtaining licenses or easements on all private lands necessary to satisfy the drainage plans approved by the City Engineer. Any off-site storm drainage must comply with ACO §1050.11. See also ACO §1050.09(c)(3).

(b) Lighting Schematic.

Not applicable to this Development.

20. Time for Commencement of Public Improvements; Acceptance by City.

a) Commencement. Subject to Force Majeure (as defined herein), the Public Improvements are to be commenced within a period of twelve (12) months from Council's

adoption of the ordinance approving this Developer's Agreement unless Council extends this period of time by legislative action. If applicable, the Public Improvements shall not be commenced until a wetlands permit for the Property has been issued by the Army Corps of Engineers. In the event that construction of Public Improvements is not commenced within such twelve (12) month period or within the period pursuant to an extension granted by the City for reasons other than Force Majeure, Developer shall return to Planning Commission and provide new engineering estimates of cost of construction of Public Improvements for the Development and the City Engineer may require, if necessary, the Performance Bond, Maintenance Bond and engineering and legal fee deposits to be updated to reflect the revised City Engineer's estimate of cost.

b) Acceptance by City. Developer shall advise the City, in writing, when the Public Improvements for this Development have been completed and the utility easement has been recorded (provide a copy of same along with the "Developer's Completion Notice"). Within thirty (30) days following receipt of Developer's Completion Notice, the City Engineer and the City Director of Public Service (hereinafter, "Service Director") shall inspect the Public Improvements and advise Developer, in writing, of any elements or portions of thereof which, in the opinion of the City Engineer and the Service Director, have not been completed in accordance with the plans and specifications approved by the Planning Commission, and promptly thereafter, Developer, the City Engineer and Service Director shall confer, and mutually agree as to the work to be undertaken by Developer to cause such Public Improvements to be completed (a "Public Improvements Punchlist Items"). Within fifteen (15) days following completion of a Public Improvements Punchlist Items to the satisfaction of the City Engineer and Service Director, the City Engineer will issue to Developer a Certificate of Completion with respect to the Public Improvements. Within three (3) months following the

date on which the City Engineer issues a Certificate of Completion, the City shall cause an ordinance to be placed on Council's agenda, for acceptance of such Public Improvements.

- c) Model Homes. Not applicable to this Development.
- 21. Developer's Right of Entry. Not applicable to this Development.
- 22. Actual Costs of Public Improvements.

The Developer, prior to passage of ordinance accepting the Public Improvements, shall submit to the Finance Director of the City the actual costs of the Public Improvements. Where applicable, these actual costs shall be itemized as to roadway (length, width, type, unit cost, street name), traffic control (signalization, location, cost), sanitary sewers (length by size, unit cost, street location), storm sewers (length by size, unit cost, street location) water distribution (length by size, unit cost, street location), park/bike trail(s) (if applicable, length, width, unit cost, location) and pump station(s) (if applicable, cost, location, description) that are to be accepted by the City. The costs for these items shall include all incidentals such as hydrants, valves, manholes, catch basins, etc., as necessary to construct the improvement.

- 23. Engineer's As-Built Documents.

Developer shall file with the City Planning Department as-built documents per City Construction Standards and City Planning Ordinances. Prior to an ordinance being placed on Council's agenda for acceptance of the Public Improvements in the Development the City Engineer shall approve said As-Built. The as-built documents shall be submitted in hard copy and electronic form. Electronic copy shall be submitted on the appropriate digital media in DWG and PDF formats.

- 24. Stormwater Drainage Improvement Fee.

Not applicable to this Development.

25. Storm Water Detention and Fee.

The Developer will not construct storm water detention in this Development. As such, the Storm Water Detention Fee for this project is 0.51 acres x \$5,569.90 or \$2,840.65. See, Ordinance No. 44-93.

26. Storm Water Detention Area and Common Areas.

Developer shall comply with ACO §1050.11.

27. Maintenance and Repair of Storm Sewers Not Located Within the City Right-of-Way.

This Development will contain private streets and private storm sewers. As such, it is/will be the property owner's responsibility for maintenance and repairs to same.

28. Compliance by Developer as Condition Precedent to Subsequent Development or Phases.

Developer acknowledges and agrees that it will fully comply with all material terms and conditions contained herein as a condition precedent for the commencement of any subsequent development or phase of development. The City may withhold approval of any such subsequent development or Public Improvements until such time as the Developer fulfills all the material terms, conditions and requirements set out herein.

29. License to Enter Upon Private Streets, Driveways, and Parking Areas.

For purposes of protecting the health, safety, and welfare of residents of the community as a whole, the City (and any departments thereof) maintains a license to enter upon private property, driveways and parking areas in this Development.

30. Breach of Contract.

The Developer further agrees that any violation of or non-compliance with any of the provisions and stipulations of this Developer's Agreement, after written notice from the City and failure to cure within the timeframes set forth herein, shall constitute a breach of contract.

A breach of contract shall also be deemed to have occurred in the event of the Developer's failure to perform work at the Development for a period of One Hundred Twenty (120) days (subject to extension for delays caused by an event, or events, of Force Majeure, as defined below), the Developer's insolvency, appointment of a receiver, filing of a voluntary or involuntary petition in bankruptcy, the commencement of a foreclosure proceeding of a lien against the Development property, or its conveyance in lieu of foreclosure. The City agrees that in the event of a breach, it shall provide Developer with notice thereof in writing. Should Developer fail to remedy the breach, to the satisfaction of the City, within thirty (30) days after receiving notice thereof from the City, the City Engineer shall have the right to stop the work forthwith and use Developer's financial guarantees of performance provided under Paragraph 3 for such purpose, and require Developer to pay any additional amount required to complete the work.

Except as expressly provided herein, if either Party is delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder, as a result of any cause or circumstance beyond the reasonable control of such Party, including, but not limited to, strikes, lockouts, pandemics, epidemics, shortages of labor, fuel or materials, acts of God, enemy act, riot, insurrection or other civil commotion, fire or other casualty or any orders of any governmental agency, court, or tribunal with jurisdiction over the Project, Developer or the City, then the time for performance of such covenant or obligation shall be extended by a reasonable time to accommodate such delay or hindrance (as applicable, a "Force Majeure"). The Party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such delay, notify the other Party thereof in writing, and the cause thereof, and provide information concerning the projected term of the delay.

31. Preservation and Restoration of Property.

Developer shall maintain the work during construction and until final acceptance by the City. This maintenance shall constitute continuous and effective work prosecuted as required with adequate equipment and forces to the end that the affected roadbeds, road surfaces and structures are kept in satisfactory condition at all times. Subject to Force Majeure, Developer shall be responsible for all damage or injury to property of any character, including roadbeds and road surfaces, during the prosecution of the work, resulting from any act, omission, neglect or misconduct in Developer's manner of method of executing said work satisfactorily, or due to Developer's non-execution of said work, or at any time due to defective work or materials, and said responsibility shall not be released until the work shall have been completed, accepted by the City. When or where any direct or indirect damage or injury is done to public or private property by or on account of any act, omission, neglect or misconduct in the execution of the work or in consequence of the non-execution thereof on the part of Developer, it shall restore, at its own expense, such property to a condition similar or equal to that existing before such damage or injury was done, by repairing, rebuilding, or otherwise restoring as may be directed by the City Engineer or Service Director, or it shall make good such damage or injury, in an acceptable manner. In the event of any damage or injury to property as stated herein, all deposits and financial guarantees set forth in this Developer's Agreement shall be retained by the City and not released until such time as the appropriate repairs are made and acceptable to the City Engineer, Service Director and City Law Director.

32. Ingress and Egress.

Developer shall restrict all movement of loads, vehicles, and other equipment into and from site in strict accordance with a route approved by the Service Director. All ingress and

egress into the Development during construction of the Public Improvements shall be made through the designated construction entrance(s).

33. Cleaning Up.

During construction, the Developer shall keep the site of the work and adjacent premises as free from material, debris and rubbish as is practicable and shall remove this waste entirely and at once, if, in the opinion of the Service Director, such material, debris or rubbish constitutes a nuisance, a safety hazard or is objectionable in any way to the public.

Upon completion and before final acceptance of the work, the Developer shall remove from the site of the work and adjacent premises all machinery, equipment, surplus materials, excavated and useless materials, rubbish, temporary buildings, barricades and signs, and shall restore the site to the same general conditions that existed immediately prior to the commencement of its operations.

The Developer shall clean off all cement streaks or drippings, paint smears or drippings, rust stains, oil, grease, dirt, and any other foreign materials deposited or accumulated on any public or private property caused by Developer.

Subject to Force Majeure, in the event Developer fails to comply with its obligations as set forth herein, and has not timely cured such failure following written notice from the City as set forth in Section 30 above, the City shall perform the necessary work to accomplish the clean up set forth herein and shall charge the Developer for said work. Weekly erosion control inspections by a CESSWI or CPESC certified inspector must be completed in accordance with ACO §1052.10(c)(11). Any issues arising out of these inspections or out of inspections conducted by City staff must be resolved pursuant to ACO Chapter 1052.

In the event of non-compliance and failure to cure after notice from the City as set forth in Section 30 above, all deposits and financial guarantees set forth in this Developer's

Agreement shall be retained by the City and not released until such time as the appropriate clean up is made and acceptable to the City Engineer, Service Director and Law Director. Nothing in this section shall preclude the City from seeking fines or other remedies associated with violations of any provisions of Chapter 1050 and 1052 or any section of the Ohio Revised Code or the Avon Codified Ordinances.

34. Warranty Against Defects.

Developer shall warrant the Public Improvements to be free from defects and shall make all necessary repairs or modifications to the Public Improvements for a period of three (3) years from acceptance of dedication of Public Improvements by the City. If the Developer fails to meet the warranty obligations in a timely manner following written notice from the City and the opportunity to cure as set forth in Section 30 above, the City may thereafter contract with any other party for the necessary work or use its own employees to perform the work and be reimbursed by the Developer or, if sufficient funds are available, to draw upon the financial guarantees provided in this Developer's Agreement.

35. City Ordinance and Regulations, Survival of Agreement, Non-Waiver.

Nothing in this Developer's Agreement shall constitute a waiver of the rights of the Parties, including local government sovereign immunity. All City Ordinances and Regulations not inconsistent with this Developer's Agreement shall remain in full force and effect, and shall be binding upon and control construction and development of the Development, and nothing contained in this Developer's Agreement, nor acceptance of dedication of Public Improvements by the City, shall limit the effect of same, including, but not limited to, if applicable, design and construction, planting of trees, street lighting, conveyance of required easements, payment of storm drainage fees, park fees, sewer tap fees, and any other requirements of the Codified ordinances of the City.

36. A.D.A. Compliance.

If applicable, Developer shall fully comply with all relevant requirements of the Americans with Disabilities Act (the "A.D.A") and all site improvements subject to the AD.A must be approved prior to construction by the City of Avon A.D.A Coordinator.

37. Severability Clause.

If any part, clause, provision, or condition of this Developer's Agreement is held to be void, invalid, or inoperative, such party, clause, provision or condition will be severed and will not render invalid the remaining portions of this Developer's Agreement.

38. Obligation to Notify.

Developer shall notify, in writing, any transferee of the Development or any lot located in the Development of the existence, terms and conditions contained in this Agreement and any easements or restrictions required hereunder. The Developer shall provide the City with a copy of said written notification immediately thereafter.

39. Addresses of Parties for Purpose of Notice.

All notices and communications between parties pursuant to this Developer's Agreement shall be in writing and shall be made upon the City through the Office of the Mayor, Avon City Hall, 36080 Chester Road, Avon, Ohio 44011, and upon the Developer at 36715 Avalon Court, Avon, Ohio 44011, Attn: Gary Smitek, or to such alternate addresses as may be specified by either Party pursuant to a notice to the other Party.

40. Parties Bound.

This Agreement shall be binding upon and inure to the benefit of the Developer, its builders, contractors, subcontractors, its executors, administrators, agents and assigns and shall further be binding upon and inure to the City and its assigns.

41. Modification or Amendment.

This Developer's Agreement shall not be modified or amended except by a written instrument signed by Developer or Developer's assignee, if any, and the Mayor or other authorized agent of the City and approved by vote of a majority of the members of City Council. Emails attached hereto are incorporated herein for reference.

42. Applicable Law and Venue. This Agreement shall be subject to and governed by the laws of the State of Ohio and any dispute between the parties shall be filed in Lorain County, Ohio.

IN WITNESS WHEREOF, the parties have affixed their signatures hereto this 9th day of December, 2025

PERFORMANCE BOND AGREEMENT

THIS PERFORMANCE BOND AGREEMENT is entered into by and between **CENTRAL SOUTH, LTD**, an Ohio limited liability company, hereinafter referred to as "Developer", and the City of Avon, Lorain County, Ohio, hereinafter referred to as "City". "Council", as referred to herein, shall refer to the City Council of Avon, Lorain County, Ohio, and "City Engineer" shall refer to the City Engineer of the City of Avon, or his designee hired to perform services on this project. The term "Development" shall refer to the construction of improvements, including public utilities at Stoney Ridge Road and Glendenning Street located on a 6.18 acre parcel of land in the City, said utilities to include public sanitary sewer on Glendenning Street, all appurtenances thereto, pursuant to plans and specifications approved by Planning Commission on November 19, 2025 (collectively, the "Public Improvements") and finalized/approved thereafter by the City Engineer. The term "Developer's Agreement" shall refer to the Developer's Agreement entered into by and between Developer and the City executed by the parties thereto pursuant to City Ordinance No. 114-25.

WHEREAS, the Development involves the construction and dedication of Public Improvements, as set forth in the plans and specifications approved by Planning Commission on the aforementioned date, which are to be accepted by the City; and

WHEREAS, the Development Regulations of the City and the Developer's Agreement provide that the Developer shall furnish a Performance Bond, or a bond with substantially the same effect, letter of credit, cash, certificates of deposit or such other financial security as is acceptable to the City, in an amount equal to or exceeding 110% of the Developer's Engineer's estimated construction costs, engineering fees and inspection fees, as approved by the City Engineer; and;

WHEREAS, based upon the estimates of cost of construction of the Public Improvements in the Development by the Developer's Engineer, as approved by the City Engineer, Developer shall provide financial guarantees of performance for the Public Improvements to the Finance Director of the City in the form of a Performance Bond Agreement, in the form attached hereto as Exhibit "A-1 ", in the amount One Hundred Twenty-Five Thousand Eighty-Six and 50/100 Dollars (\$125,086.50) for the Public Improvements, which is equal to One Hundred Ten (110%) percent of the total of Developer's Engineer's estimate of construction costs.

NOW, THEREFORE, in consideration of the foregoing promises and to ensure the faithful performance of the Developer's Agreement, the Developer has undertaken the following:

1. Developer will deliver to the Director of Finance of the City a Performance Bond, a copy of which is attached hereto as Exhibit A, or a bond with substantially the same effect, in the amount One Hundred Twenty-Five Thousand Eighty-Six and 50/100 Dollars (\$125,086.50) for the Public Improvements, which represents One Hundred Ten (110%) percent of the total of Developer's Engineer's estimate of construction costs.

2. The funds which can be drawn by Developer upon the guarantees of performance shall be used for the sole purpose of payment of the cost of construction of the Public Improvements in the Development and for engineering and/or legal fees related to said Development in the event these deposits are exceeded.

3. In the event the Developer deposits cash as permitted by Section (1)(b), before delivering checks in payment for the aforesaid invoices, the lending institution shall require the contractor, subcontractor or supplier to furnish an appropriate Affidavit stating that all subcontractors, labor, machinery, material and fuel have been paid for, and require copies of

insurance, and lien waivers. All invoices must be accompanied by a letter from the City Engineer approving payment.

4. In the event the Developer deposits a letter of credit as permitted by Section 1(a), the lending institution's liability under the irrevocable letter of credit shall be reduced at the time payments are made and in the amount of such payments that are made for construction of the Public Improvements in the Development. Four (4%) percent of each invoice amount will be retained by the lending institution throughout the course of construction until the Public Improvements are completed.

5. The Developer and its lending institution shall, at all times, keep the records of said letter of credit open to inspection by the City Engineer or any authorized agent of the City.

6. Upon completion of the Public Improvements in the Development to the satisfaction of the City Engineer and the City Director of Public Service, acceptance of dedication of the Public Improvements by the City, payment of all costs and expenses of said Public Improvements, payment of all engineering and legal expenses of the City, compliance with all provisions of the Developer's Agreement and upon written instruction from the Director of Finance of the City, all guarantees of the Developer's performance shall be released in accordance with the Developer's Agreement and, in the event Developer has deposited a letter of credit pursuant to subclause (a) of Section 1 hereof, the financial institution which issued the letter of credit may release the remainder of the letter of credit, and cancel the letter of credit.

7. Subject to Force Majeure, in the event of the Developer's default, as defined in the Developer's Agreement, beyond any applicable grace or cure period, the City shall have the right to draw from the Developer's guarantee of performance to complete construction of the Public Improvements at the Development, or any part thereof, and to pay any engineering or legal fees pertinent to the installation of all Public Improvements for the Development over and

above the Developer's deposits, and the lending institution, bonding company or other such surety, as may be applicable, is authorized to release the funds upon certification by the Director of Finance of the City that the funds will be used for completion of construction of the Public Improvements for the Development and any applicable fees.

8. The lending institution, bonding company or other such surety, as may be applicable, shall accept as full and complete evidence of default and of the resulting right of the City to complete said Public Improvements or any portion thereof a copy of the Resolution or Ordinance from the City duly authenticated by the Clerk of Council declaring said default and the intention of the City to proceed to complete the performance of said Public Improvement contract(s) or any portion thereof.

IN WITNESS WHEREOF, the parties have affixed their signatures hereto this 9th day of December, 2025.
