

EXHIBIT A
RESOLUTION NO. R-22-14

AGREEMENT

This agreement is made and entered into by the City of Avon and the Lorain County Office on Aging, to be effective from January 1, 2015 through December 31, 2015. Subsequent renewal agreements will be negotiated on an annual basis.

Whereas it is the desire of the City of Avon to address some of the health and social service problems of its constituents, especially older adults living in the community.

Therefore, the City of Avon enters into this agreement with the Lorain County Office on Aging to manage and provide services to its constituents, primarily Mobile Meals, but also including information, assessment, support services, assisted transportation, chores, housekeeping, benefits screening and food assistance, as requested.

In consideration for these services, the City of Avon agrees to provide a projected annual amount of \$14,236.00, to be invoiced and advanced quarterly, beginning January 1, 2015 and continuing for each quarter through the year, ending December 31, 2015. This amount is determined based on the cost of services and the senior population living in the City of Avon. The Lorain County Office on Aging will provide to the City of Avon reports regarding the number of residents served, demographics of persons served and the service units delivered, during the first quarter of 2015.

The Lorain County Office on Aging does not discriminate against any applicant for employment or service on the basis of race, religion, color, sex, national origin or age.
