Ed McCallie, Superintendent of Utilities

DEDUCT METER APPLICATION

What will the second meter be used for?

_____ Outside faucets only

(Per City Ordinance #117-89 and State Ordinance #3745-95-04, you must install a **Double Check ASSE #1015 backflow device** on your system.)

_____ Outside faucets & In-ground sprinkler system

(Per City Ordinance #117-89 and State Ordinance #3745-95-04, you must install a **Pressure Vacuum Breaker ASSE #1020 OR a Reduced Pressure ASSE #1013** on your system.)

Please choose a meter size:

Meter Choice	Size	Meter Cost	Tap In Fee	TOTAL COST
	¾"	\$231.00	\$250.00	\$481.00
	1"	\$302.00	\$250.00	\$552.00
	1-1/2"	\$586.00	\$250.00	\$836.00
	2"	\$756.00	\$250.00	\$1,006.00

Inspections:

- Call **440-937-5740** (at least 24 hours in advance) for meter installation & inspection. (Please note: all plumbing must be complete with meter spuds installed prior to scheduling an appointment.)
- All **backflow devices** must be tested upon installation and then every year by May 31st.
