All jurisdictions:

Enclosed please find the 2021-2023 Memorandum of Understanding for the Lorain County WENS emergency notifications system.

There is only one change. We will now begin billing you. This is in response to billing issues we have had, along with your requests to receive an actual written bill instead of just forwarding a payment at the end of each year. Please execute this paperwork as soon as possible. Once we receive it back here, we will complete it at our end and forward you a completed copy.

There is no price change.

As always, if you wish to have a training session on the operation of the system, please contact this agency.

Respectfully,
