

RESOLUTION NO. R-29-21

A RESOLUTION TO ADVERTISE FOR BIDS FOR IMPROVEMENTS TO THE MILLER ROAD WATER DISTRIBUTION BOOSTER PUMP STATION AND DECLARING AN EMERGENCY

WHEREAS, the Utility Department seeks to improve the efficiency and consistency of the public water distribution system while reducing overall raw water costs; and

WHEREAS, the Miller Road Water Distribution Booster Pump Station provides an opportunity to supply a larger percentage of the Avon water demand with lower unit cost supply water via its direct connection to the Avon Lake Regional Water system; and

WHEREAS, in order to obtain a larger utilization of supply water from the Avon Lake Regional Water system via the Miller Road connection thereto it is necessary to make physical upgrades and improvements to the Miller Road Booster Pump Station structure and systems therein; and

WHEREAS, the Utility Department has directed engineering and architectural plans be prepared that will remodel the existing booster station building and site improvements including but not limited to, the exterior finish, demolition, entry doors, soffit/fascia, gutters, roofing, concrete apron, drainage improvements, climate control, ventilation, piping, valves, natural gas generator pad, fencing, bollards, electrical components, and appurtenances thereto; and

WHEREAS, additional improvements to be obtained by direct purchasing separate from this particular bid request include new pumps, pump controls and the natural gas generator; and

WHEREAS, the Utility Department is also preparing plans to increase the water distribution pipe size under the railroad tracks which will be presented to City Council for bidding approval at a later date; and

WHEREAS, Council finds that it is in the best interest of the health, safety, and welfare of the Community that the Utility Department go forward with advertising for public bids to complete the Miller Road Water Distribution Booster Pump Station Improvements as described herein.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF AVON, COUNTY OF LORAIN AND STATE OF OHIO:

Section 1 - That the Clerk of Council is hereby authorized and directed to advertise for public bids for the completion of the Miller Road Water Distribution Booster Pump Station Improvements. These improvements shall be made pursuant to plans and specifications developed by Sixmo Architects, the City Engineer and Chagrin Valley Engineering, Ltd. which shall be on file and open for inspection at the Office of the Clerk of Council and incorporated herein by reference.

Section 2 - That the City shall reserve the right to reject any and all bids.

Resolution No. R-29-21 (Con't)

Section 3- That it is found and determined that all formal actions of the Council of the City of Avon concerning and relating to the adoption of this Resolution were taken in an open meeting of the Council of the City of Avon and that all deliberations of this City's Council and any of its committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 4- That this Resolution is hereby declared to be an emergency measure immediately necessary for the preservation of the public health, safety and welfare of the citizens of the City of Avon, the immediate emergency being the necessity to advertise for bids for the Miller Road Water Distribution Booster Pump Station Project in order to facilitate project completion and the use of a larger percentage of lower cost supply water at the earliest possible time; therefore, this resolution shall be in full force and effect immediately upon its passage and approval by the Mayor.
