City of Avon
Attention: John A. Gasior, City of Avon Law Director

Dear Mr. Gasior,

Exhibit A
(To Amended MOU per Ord. 45-22)

To be added to the Memorandum of Understanding covering
City of Avon residential solid waste collection and disposal, recyclable material
collection/processing and yard waste collection and disposal/processing

Section 1 Term

The term of the MOU shall be Five (5) years from May 1, 2019 through April 30, 2024 with
renewal options.

Section 2 Pricing

- A) The current Browning-Ferris Industries of Ohio, Inc. (BFIO) rate per quarter is \$68.07 per household for a 96-gallon trash container and a 64-gallon recycling materials container.
- B) Beginning with the new term, BFIO's reduced rate per quarter will be \$65.55 per household for a 96-gallon trash container and 64-gallon recycling materials container.
- C) Beginning with the new term the current BFIO's rate per quarter of \$61.56 per household for a 64-gallon trash container and a 64-gallon recycling container will remain unchanged.
- D) Beginning with the new term (May 1, 2019), the BFIO rate per quarter for a 64-gallon recycling materials container, exclusive of any other service, will be \$24.00 through April 30, 2021.
- E) Any rates currently being charged that are lower than those stated above shall remain unchanged through April 30, 2021.
- F) All rates are subject to a 3.5% increase on May 1, 2021.
- G) No rate adjustment from Republic in 2022, 2023 and 2024

Section 3 Included Services Going Forward

- A) Solid waste and recycling materials collection including carts for each household (96 or 64 gallon solid waste containers and 64 gallon recycling materials container).
- B) Curbside yard waste collection weekly throughout the year commencing on or about May 1st, 2022. Christmas trees the first two weeks after New Year's holiday.
- C) Bulk item collection will now take place on a weekly basis commencing on or about May 1st, 2022. (Try to limit large bulk items to four (4) per week).
- D) Commercial Collection services for all Municipal buildings at no cost to the City.
- E) Avon Schools to receive service at no cost, effective June 1, 2019 through April 30, 2024.

Section 4 Additional Provisions

- A) Elimination of supplemental recycling charge of \$9,290.00 per month currently paid by the City.
- B) Provide City with direct line contact.

Section 5 Firm Pricing

- A) No fuel surcharge for duration of the 5-year term of the MOU.
- B) No increase for recyclable material collection and processing during the 5-year term of the MOU.
- C) No increase for yard waste collection disposal/processing during the 5-year term of the MOU.

Section 6 Collection Day (Days)

- A) BFIO will provide the City with collection on Mondays.

30 Yard Roll-off Pricing

\$75.00 Delivery Fee
